

our products

UNISA satisfies their customers' needs by offering trendy shoes adapted to women nowadays lifestyle, what means fashionable shoes built to be worn everyday.

UNISA's main aim is comfort. The brand's labs experiment everyday to get lighter and more comfortable styles, more suitable lasts, and definitely, trendy but functional shoes. A marriage between shoe technology and fashion.

The woman UNISA designs for is a professional and modern woman, that takes care of her appearance but needs shoes to be worn the whole day.

woman shoes

little girl

Little girls shoes are conceived under the same philosophy as woman collections and always taking into account functionality.

UNISA's little girl shoes cover the need for dressing the little ones with prettier, more modern and fashionable shoes compared to market's offer today, since it seems to be filled with sporty themed shoes.

UNISA's bag is functional and high quality. UNISA wants to fill the hole between day a day and party bags, creating a line focused on women who need daily bags and want to follow the latest trends.

That's why our whole range, from the bigger to the smallest one, is thought to be useful and functional wherever we go.
